

UNIVERSITY of ROCHESTER

Graduate School Visitation Program

Apply today to join our University of Rochester Graduate Visitation Program (GVP) in upstate New York this September. GVP is a two-day event hosted by Arts, Sciences and Engineering as well as the School of Medicine and Dentistry at the University of Rochester. GVP is for undergraduate students who are:

- College seniors due to graduate in class of 2018;
- Low-income, first-generation college, or members of underrepresented minority groups; and have
- Expressed interest in graduate training in one of the fields in which the University of Rochester offers a PhD.

**Program Dates:
September 13-15, 2017**

**Application Deadline:
July 14, 2017**

U of R PhD programs:

Biochemistry and Molecular Biology
Biology
Biomedical Engineering

Physiology
Political Science
Social-Personality Psychology
Statistics
Toxicology
Translational Biomedical Science
Visual and Cultural Studies

This is a great opportunity to come to campus and meet with faculty members in your academic field of interest, network with current graduate students, and learn about the University of Rochester. This is a selective program, and applications will only be accepted from students interested in our PhD programs. Applicants who are selected to participate will be provided with round trip travel and meals, and will be housed with a fellow program participant.
